**English Butter Toffee**

For over 30 years, our customers (and the recipients of their gifts) have raved about our signature English Butter Toffee! We begin with a crunchy toffee center made with plenty of pure, dairy-fresh butter. Then we enrobe each piece in rich, premium chocolate. Finally, we cover it with toasted almonds. With nearly 36 pieces in this one-pound box, there's plenty to share with friends and family... but don't be surprised if they want to keep it all for themselves. We package this great tasting toffee in our useful wooden collector's box imprinted with your logo.
